They will have the skills, energy, drive and passion necessary to continue to develop and secure the very best outcomes for all our children, realising our vision: to ensure that Christ is at the heart of all we do and for everyone to develop their faith to live it, love it and learn it. MAKING OUR PARISH MORE ENVIRONMENTALLY FRIENDLY AND CARBON NEUTRAL. Following discussions with Fr Rob, I am interested in establishing a parish group to help fund activities to enable our parish to become more environmentally friendly and carbon neutral. If you are interested in joining this group could you contact me, Sheila Higgins on 07964037721 or 01564 637385 speak to me at the end of Mass.

RECYCLE YOUR USED INK CARTRIDGES..... and raise money for charity. Used inkjet (not laser) printer cartridges can be recycled by placing them in the Recycle4Charity green box in the narthex. This is environmentally friendly, as it keeps cartridges out landfill, and money raised from those donated by the parish will go to RESTORE, the Birmingham Churches Together Refugee charity.
